 - * supply only
 - * supply and install
 - * C/w quality engraved plaque if required

Countryside bench

Picnic bench

Solid wooden bench made from reclaimed timber from Thames jetty piers

Recreational bench

Bespoke planters

Combined outdoor school classroom and seating

As the source of material is reclaimed, it could show more blemishes than new timber, as well as being subjective in appearance. Timber being of a solid dense nature may crack if in warm/dry conditions. This is part of a natural process that is humidity sensitive.
